

## JOIN US FOR COMPUTER CLASSES...

**in our new Computer Learning Lab. This is a small intimate classroom with only six computers and stations - so you receive that personal training you deserve. All computer classes are in two sessions with day classes totaling 3 hours a session and with evening classes 2 hours per session. Call our front desk and register today!**

### **Beginning Computers:**

We will discuss the different parts of a computer, use of the keyboard, how to open and properly shut down the computer, the opening and closing of programs, and how to cut, copy, and paste.

**July 7 & 9 / W/F / 9:00 - 12:00 pm**

**July 7 & 9 / W/F / 1:00 - 4:00 pm**

**Cost: \$75 for Members, \$90 for Non-members**

### **Burn CD's and Rip Music to the Media Player:**

You will learn how to take music from the Internet, or one of your favorite CD's, and add it to your Media Player library. You will have the music you want at your fingertips to use and enjoy.

**July 12 & 14 / M/W / 9:00 - 12:00 pm**

**July 12 & 14 / M/W / 1:00 - 4:00 pm**

**Cost: \$75 for Members, \$90 for Non-members**

### **Intermediate Computers:**

Take your training one step further and learn how to change the style and size of your fonts. You will learn how to put graphics (pictures) into your letters and documents. Also, how to scan information from books and insert pictures into your documents.

**July 7 & 9 / W/F / 6:00 - 8:00 pm**

**Cost: \$50 for Members, \$60 for Non-members**

### **Photostory 3:**

With this program you can animate your photos automatically, create your own effects with pan and zoom options, add transitions, captions, and titles to your story. You can also record your voice, add music to each slide or all the slides and alternate the music for groups of slides. Photostory 3 is a free download to all owners of Windows XP.

**July 26 & 28 / M/W / 9:00 - 12:00 pm**

**July 26 & 28 / M/W / 1:00 - 4:00 pm**

**Cost: \$75 for Members, \$90 for Non-members**

### **Skype:**

Skype is a software application that allows users to make voice calls over the Internet (computer-to-computer) for free. Skype can also be used for instant messaging, file transfers, and enables you to see those you are talking with on the computer screen. See your family and friends, on your computer, while talking to them.

**July 19 & 21 / M/W / 9:00 - 12:00 pm**

**July 19 & 21 / M/W / 1:00 - 4:00 pm**

**Cost: \$75 for Members, \$90 for Non-members**

**July 19 & 21 / M/W / 6:00 - 8:00 pm**

**Cost: \$50 for Members, \$60 for Non-members**
